

CHEESE AND SPICY PEPPER POTATO BALL®

STEP 1: Preheat oven to 350° F. While oven is preheating, place provided parchment paper on the baking sheet. Next, place the Cheese and Spicy Pepper Potato Balls® on the parchment paper and make sure they have at least 1/2" of space between each piece to bake evenly.

STEP 2: Place the baking sheet in the middle of the oven. Bake the Cheese and Spicy Pepper Potato Balls® for 20-30 minutes in a conventional oven, 15-25 minutes in a convection oven, or until golden brown.

STEP 3: When the Cheese and Spicy Pepper Potato Balls® reach a golden brown, remove them from the oven. Let them cool down completely before you enjoy them, which takes about 15 minutes, since the filling takes longer to cool.

**Because all ovens vary, check the Cheese and Spicy Potato Balls® 5 mins. before the recommended baking time.*
