

CROQUETA DE JAMÓN (HAM CROQUETTE)

STEP 1: Preheat oven to 350° F. While oven is preheating, place provided parchment paper on the baking sheet. Next, place the Croquetas de Jamón (Ham Croquettes) on the parchment paper and make sure they have at least ½" of space between each piece to bake evenly.

STEP 2: Place the baking sheet in the middle of the oven. Bake the Croquetas de Jamón (Ham Croquettes) for 20-25 mins. in a conventional oven, 15-20 mins in a convection oven, or until golden brown.

STEP 3: When the Croquetas de Jamón (Ham Croquettes) reach golden brown, remove from the oven. Let them cool down completely before you enjoy them, which takes about 15 minutes since the filling takes longer to cool.

**Because all ovens vary, check Croquetas de Jamón (Ham Croquettes) 5 mins. before the recommended baking time.*
