PARISIAN CHOCOLATE CAKE

- 1** Place the cake in the freezer for up to 5 days until ready to thaw. Keep the wrapping intact to protect the quality of the cake.
- 2** When ready to thaw, place cake in the refrigerator for a minimum of 24 hours before
- 3** Once fully thawed remove wrapping & cake collar. Begin slicing the cake with the reusable Porto's Cake Cutter. Serve & enjoy within 2 days of thawing!

Helpful Hint: To prevent the cake from sticking to the reusable Porto's Cake Cutter, we recommend wiping the knife with a damp cloth or towel in between cake slices.
